

... enjoyed by those that long for the relaxed vibe yet having the conveniences of Auckland a short drive up the motorway.

Set high on the hill behind Orewa - yet just off the motorway - and taking in magnificent views is this stunning and timeless home that was completed in 2016. Enjoying all day sun in most of the rooms, expansive deck, spa and heated pool as well as the separate legal, self contained two bedroom flat ... this home has a resort feel to it. As the saying goes 'pictures tell a thousand words' but in this case the reality is far better than the photos.

No expense has been spared in this tasteful home of four bedrooms, four living areas - including a one of a kind 'outdoor room' that is enjoyed in winter and summer - separate office and three car garaging, plus the self contained flat.

Those of you who have large families, extended families or just love space to spread out or entertain ... this should be on your viewing list. Great value for money with an asking price of \$2,950,000. To find out more go to [www.harcourts.co.nz](http://www.harcourts.co.nz), ref #WH25769 or call Bronwyn Titchener on 0274367072.
